## *The Resurrection of Our Lord*

It was Easter morning and what glorious morning it was on the plains of Montana east of the Rocky Mountains. The pastor was enthused because this celebration was at the heart of God's Kingdom work. Today he would cry out, "Christ is Risen!" and the People of God would respond, "He is Risen indeed!"

Victory over the power of death through the resurrection of Jesus Christ from the grave.

### *Easter Celebration. What a time for joy!*

The future was not filled with the kind of hopeful glow that effused the sky as the beautiful sunrise unfolded over the eastern horizon. To add to the family's festivities their eldest daughter would be joining them. She was in her first year at the state university and they were thrilled she would be home for Easter and Spring Break. Mom had cautioned her to drive safely on her early morning trek, and she had laughed and said she would. In fact, she should arriving any moment. The pastor's eyes scanned the sanctuary, the narthex and the fellowship hall, and then the parking lot. No, she was not there yet. He headed into the sacristy to vest for services. It was not ten minutes before the service and there was still no sign of their daughter, so she would probably be late. The pastor stood near the front doors watching and greeting folks as they arrived, always with an eye for his daughter's car. A state patrol car arrived with an officer in uniform. "Well," thought the pastor, "this is an interesting addition to the celebration." But, there was still no sign of his daughter. The officer approached the pastor who welcomed him. The officer announced that he was there on official business and needed to speak to so-and-so. "That's me," replied the pastor. "I'm sorry to tell you," declared the officer, "but there was a car crash this morning, it was your daughter's car. She apparently fell asleep at the wheel, drove off the road and collided with something. She did not survive the crash. I'm so sorry."

### *Death Upon Life. Time stood still.*

The pastor was in shock. He could not think straight, he could not speak. He bent over in agony, the wind, the spirit, gone out of him. It was as if he were in a trance. But, he could not be in a trance. Not thirty feet distance was a church full of God's People, ready to sing, "Jesus Christ is Risen Today!" What should he do? Could he go forth and lead the service, the celebration of Jesus' resurrection from the dead? ***Jesus was risen from the dead.*** Suddenly these words were no longer empty words or a simple idea. These words took on a face and a personality. His daughter was gone from this world but she was not dead! She was alive!

### How Can We Help our Missionary?

Our missionary in Cameroun, Marian Hungerford, is in need of some very basic items. If you are able to do so, please consider purchasing one or more of the following: Bottles of Acetaminophen (like those found at Costco), tennis balls for the children to play with, and decaffeinated black tea.

Contact Ward Erickson, who will coordinate the supplies. Your generosity is very much appreciated.

Special Thanks from Operation Christmas Child .....

Last year Emmanuel Lutheran Church filled 51 shoeboxes for OCC. That was an all time high number. We received a hand written thank you card from the local Church Relations Coordinator, Laura Ettinger. We also received a beautiful Certificate of Appreciation from she and the Area coordinator, Tamara Henry. The thank you card can be found on our table in the fellowship hall. Some of the highlights of the card included that fact that there were 8,952 boxes collected from just our area alone. These boxes were sent to children in Guyana, Indonesia, Madagascar, Mexico, the Middle East, Mongolia, Nepal, Panama, The Philippines, Senegal, South Africa, Togo, and the Ukraine. Every shoebox gift becomes a Gospel opportunity. Please look for the thank card.

What’s Happening At Our Childcare Center?

The first week the pre-school children learned about Noah’s Ark. They focused on Holy Week the second week. During the third week they will learn the true meaning of Easter and the last week they will be studying about the Birth of Moses.

“On Friday, April 18th, there will be an Easter Egg Hunt. April 22nd is Earth Day and the 25th is Arbor Day !! For Earth week, they have lots of exciting activities planned. The children will be planting starter seeds on the playground, work on their recycling and sorting, will make lots of wonderful art projects and will watch and read “The Lorax.”

A special thank you to Miss Carverlyne and her staff for all they do for the children in our community.

## Congratulations Pat and Nancy !

Pat Alcantra and Nancy Kerlee were married April 2nd during a private, quiet ceremony. Glen and Sharie Adrig were their witnesses. Our love, prayers and congratulations to you both from Emmanuel Lutheran.

## A Personal Ash Wednesday Recollection

### *What's the Deal with Ash Wednesday?*

Recently the question came up, what's the deal with Ash Wednesday? The easy answer is... that's what we do! A more responsive answer to someone who is not familiar with Liturgical Churches is that Ash Wednesday marks the beginning of Lent, it's when we go to church where the Pastor makes the sign of the Cross on your forehead with ashes made from crushed palms and Holy oil.

The question got me to thinking about Ash Wednesday, like, what was my most significant Ash Wednesday?

While I was in the military, we Liturgical service members were given time off to attend Ash Wednesday services. Typically, Catholics attended a Catholic service and Protestants attended a service presided over by a Liturgical Pastor. However, in the war zone, you took what you could get. While in Viet Nam, if I couldn't attend a Protestant service, I would attend a Catholic service and both "Palms" and "oil" were abundantly available. After all, wasn't it really mostly about tradition?

Do you recall reading in the Bible where Jesus asks his Disciples ..... do you understand? And then, on the "first" Easter Sunday, they did finally "get it". A short time after I began my second tour of duty in Viet Nam, our Chapel took a direct rocket hit and was totally destroyed. Lent was approaching and it was time for Ash Wednesday. I, along with some friends, made our way to a makeshift "tent" Church where we were blessed with the sign of the Cross by a Baptist Chaplain who had prepared the ashes from the burned out remains of our old Chapel.

Ash Wednesday is about sharing, it's about our relationship with our Savior, it's about repentance and it's about receiving a very unique and a very special blessing !

Larry Farner

*Thank you, Larry, for sharing the events of a very special and unique Ash Wednesday with us.*

### ***A Personal Testimony shared via our Website .....***

Years ago I played the piano for a short time at “the Family of God” (Pastor Tim Cartwright served as Associate Pastor at FOG years ago) church in East Bremerton. It was there that I saw Jesus for the first time. When I first started playing, all I wanted to do was be paid for playing the piano. I told myself I would not listen to anything “They” had to say. But, I heard about Jesus in the sermons and saw Him in the people, something I had not see before. I was loved unconditionally. God revealed Himself to me through the congregation. It took time, but it was because of what I saw and who I saw in that church that I wanted to know the real Jesus. I have been a Lover of Jesus for 20+ years.

Pastor Tim was one of the pastor’s at that church and I just wanted to say “Thank You!!” for sharing Jesus with me back in the day. Jesus lives in my heart now and God has changed my life from the inside out because of Him. I used to be a piano player, playing for money, now I am a worship leader playing for love.

Thank you so much,

Yours in Him,

Emee (no last name provided)

### ***The Story Behind the Hymn.....”Christ the Lord is Risen Today”***

John and Charles Wesley were disliked by many Anglican ministers because of their “fiery evangelistic preaching.” They were forbidden to preach at many churches. They began to preach in the “open air.” Charles, standing with a fellow preacher, got a vision for reaching the multitudes.

He was invited by a farmer that lived in the outskirts of London to preach in his field. He recollected, “I did so to about 500. I returned to the house rejoicing.” Soon he found himself preaching to thousands. He felt this was God’s will. Quite often he preached to the poor and struggling.

It was stated that he always backed his preaching with scripture and illustrations from the Bible. We can say that “Charles Wesley still preaches today in much the same way, through his ageless hymns that are sung around the world each week. Perhaps his most exuberant anthem is the one he simply called “Hymn for Easter Day.” published in 1739. It originally consisted of eleven stanzas. The “Alleluias” were added later, but appropriately, for this is a hymn one never gets tired singing.
